

Spirit Lights

by Michael B

For Sun-Kissed Blonde Effects

Spirit Lights

by Michael B

Geeft een natuurlijke, zoals door de zon oplichte effecten op zowel gekleurd als ongekleurd haar

Spirit Lights

by Michael B

Werking en voordelen

- Dit “ off scalp “system licht het haar tot 3 kleurhoogte op met een lichte toning
- Ideaal om zoals door de zon verkregen highlifts te creëren voor subtiele , balayage en freehand effecten
- De perfecte tool om dit aan te brengen is de nieuwe ASP Master Palette .

Spirit Lights

by Michael B

MULTI-USE BLEACH & COLOUR BOARD

Designed to revolutionise the way you colour

Simply strap the ASP MASTER PALETTE to the back of your hand & work with complete freedom.

Packed with innovative features, the ASP MASTER PALETTE is the future of colour application - fast, effortless & precise.

hair catcher Useful for removing stray hairs from the brush.

tool holder For brushes & clips.

palette area For preparation of product before application. Can also be used for colouring hair ends on both sides, painting short hair or applying to small root areas without touching the lengths.

product reservoir Holds colour or bleach, allowing you to work without continually reaching for the colour bowl.

cleaning edge Helps to remove excess product from the brush.

load lines For controlling the amount & position of product on the brush - allowing precise application.

hand strap For attachment to the back of the hand, allowing you to work with complete freedom.

Verschillen tov Spectrum

- **Spirit Lights** zonder warmte , **Spectrum** met warmte
- **Spectrum** moet afgedekt om uitdroging te voorkomen . **Spirit Lights** moet niet afgedekt , wanneer t droog is is het proces klaar
- **Spirit Lights** pigmenten zijn veel meer geconcentreerd dan **de Spectrum** pigmenten
- **Spirit Lights** is een Free Hand methode voor off scalp en **Spectrum** voor de tradionele full head
- Met **Spirit Lights** kun je creatief spelen met de mengverhoudingen , Bij **Spectrum** moet je je aan de regels houden
